PRESIDENT CRIES

"HANDS OFF"

Talks to Californians and Wires Legis-
lature.

Washington, Feb. 8.—The President
made a further effort yesterday to im-
prove what he characterizes as a situa-
tion fraught with "grave mischief" in
respect to the anti-Japanese question
in California, but if the temper of that
State's delegation in Congress is any
indication of the result he made a mess
of it. Nearly every member of the
delegation is angry and two of them
spoke their minds freely in public with
a promise of more to follow. The ill
feeling directed toward the President
by the Californians was caused by Mr.
Roosevelt's severe criticism of certain
members of the delegation in conversa-
tion with individuals among their own
number.
Early in the day a conference was
held at the White House on the Japa-
nese question, the President calling in
Secretary of State Bacon, Assistant
Secretary O'Laughlin, Senator Flint
and Representative Kahn of California
and Franklin K. Lane of the Inter-
state Commerce Commission, who is
also a Californian. The immediate ob-
ject of this conference was to read a
telegram which Mr. Roosevelt had pre-
pared to send to the Speaker of the
California Legislature and which later
in the day he did send. In this tele-
gram the President reiterated his posi-
tion on the Japanese question and gave
a pointed warning of a federal court ac-
tion similar to the federal court action
employed in 1907 when the San Fran-
cisco school question reached a crisis.

REDMOND RE-ELECTED

Keen Fight in Irish League Over Land
Bill.

Dublin, Feb. 9.—The national direc-
tory of the United Irish League met
here yesterday and made public its an-
nual report. John E. Redmond was
re-elected president. The national con-
vention of the league will be held to-
morrow. It will be the largest con-
vention of the league on record, and
it has been found necessary to refuse
all visitors tickets, owing to lack of
space. The keenest fight is expected
on Secretary Russell's land bill. A
strong minority, led by William
O'Brien and Timothy Healy, is urging
its rejection outright. Mr. Redmond
and John Dillon, with a majority of the
members, favor the acceptance of the
bill, subject to amendment.

CARRIE NATION IS COMING HOME SOON

Disgusted With Her Experiences in Eng-
land She Books Passage.

(Special from United Press.)
London, Feb. 8.—Disappointed over
the outcome of her crusade against
drinking and smoking in England, Car-
rie Nation to-day booked passage for
America in March. Mrs. Nation ex-
plains her failure to accomplish de-
finite results here as due to lack of co-
operation.
"I found many avenues of reform
that are common in America closed to
me here which made my tour largely
ineffective. However, I am glad I came
as the experience I have gained will be
valuable.
"The drink evil in England is far
worse than in America, especially on
Sunday."

BLOOD CAME FROM OLD TOOTH

The ambulance was called to Scho-
field avenue in Black Rock last night
where it was reported that a woman
was bleeding to death. Dr. Ives found
Mrs. Louis C. Schluntz and her hus-
band very much alarmed. Blood was
streaming from Mrs. Schluntz's mouth
in large quantities and it was feared
that she would bleed to death. Dr.
Ives found that the blood came from
a wound left by the removal of a tooth
the day before. He stopped the bleed-
ing and assured Mrs. Schluntz and her
husband that there was no danger.
